

International Seminar in Community Mental Health Development

This one-day seminar will feature presentations from mental health leaders from 18 countries and regions, covering diverse community mental health promotion, policy and practice developments. The seminar will be of particular interest to mental health professionals, administrators and community workers who wish to broaden understanding of mental health care across the Asia-Pacific region.

AAMH

Asia Australia Mental Health

Date: Thursday 10 November 2011

Time: 9am–5.30pm

Venue: Michael Chamberlain Lecture Theatre, St. Vincent's Hospital, Fitzroy, Victoria.

Asia Pacific Community Mental Health Development Project PUBLICATION LAUNCH

Partnerships in Community Mental Health is the focus of the 2011 APCMHDP Summary Report. This distinctive regional text is the latest from the Regional Project which fosters dialogues aimed at promoting best and creative practices for community mental health care. The Report documents the working principles of building community mental health partnerships and its application for the Asia-Pacific region.
